

# THEY RESPONDED TO THE CALL OF DUTY

A Directory of Macclesfield's World War Two casualties  
133 page A4 softback book, price £8.

Macclesfield Reflects and Cheshire Villages Great War Society member Harry Carlisle has produced a 133 page A4 illustrated book, *They Responded to the Call of Duty*, giving a background to the names listed on Macclesfield's Park Green WW2 war memorial, and an addendum which gives information about casualties with a local connection who are not named on the memorial. All but one of the names has been identified.

The book is on sale at Macclesfield Reflects and Cheshire Villages Great War Society events and Macclesfield Visitor Information Centre, or may be purchased directly from the author.

More information can be found on the website at:
